Fall Camp Session #1

All athletes planning to participate in a SARS fall project are highly encouraged to participate in session #1. Session #2 is a continuation of session #1 and for a narrower age range (U14 and older only).

Session #1 SARS Athlete Eligibility: Birth year 2009 and older (FIS Team, U16 and U14 Teams, and YSL 2nd year U10 – U12)

Dates: November 17-24, 2018 (skiing November 18-24 for 7 days on snow)

Departure: November 17 at 8:00am – Van transportation for team departs from SARS office in Sandpoint.

Return: November 24 after skiing – Van transportation for team departs from Panorama after training and returns to SARS office in Sandpoint at roughly 6:00pm.

Location: Panorama, BC

Camp Content: Slalom and GS early season preparation (technical and tactical foundation). The 9th Annual SARS Turkey Cup team event will also be held on Thanksgiving Day.

Camp coordinator / head coach: Jamie Landwehr (208) 946-7859

Staff: Staff may fluctuate depending on total camp numbers.

Housing: We stay in ski-in / ski-out condos. **It is encouraged that U12 and younger athletes stay with a parent or friends' parent.** If your athlete is staying with you or another family, it is your responsibility to make lodging reservations (see Family Lodging below). All U14 and older athletes are encouraged (but not required) to stay with their teammates for team building purposes. SARS staff will assign appropriate roommates for all athletes choosing to lodge with the team.

Meals: All participants and staff will be on the dinner-only meal plan. Please bring your own breakfast, lunch and snacks. We will stop in Invermere, BC only as needed for groceries, but it will be more cost effective to bring what you need from the US.

Families Welcome at Session #1: The team will be staying in [Panorama Springs Lodge](#) but there are several buildings in the upper village to choose from.

Check out the Parent lodging link on the Camps Home page for significant lodging discounts applicable to SARS families.

Travel Documentation Preparation: Passports are required for traveling with SARS across international borders. Please check to make sure that your child's passport is current. Additionally, each athlete, under the age of eighteen, is required to have the **Authorization to Travel** (also found on the camps home page) signed by each parent and a notary.

Travel Documentation on Trip: Each athlete is required to have current passport and, if under the age of eighteen, have completed authorization to travel and have handy in their carry-on van bag during travel to/from Canada.
